with its corps of clerks and assistants, will do doubt run along as usual until its head can send on a fall stock, but society will miss the bright, entertaining Colonel

boy down to our house." We con gratulate Mr. Wallace, but as he already has one of the brightest little boys in the country we think if the last little stranger had come in the role of a sister it would have been shout the fair thing. Bet boys vote.

The 2d regiment of the Kansas Voluntee State Militia will hold its annual encamp ment at Wichits on the 14th, 15th, 16th and 17th of September. The railroad companies will furnish free fare and the Wichita Fair Association will provide free rations for the boys. This news will be relished by the Co. B boys, who are just aching to go into camp.

ts Emporia and LeRoy the latter point being the terminus of his Arizona line, or Missouri Pacific Extension. The gentle man who brought the news got it railroad man at Kansas City.

Mr. D. P. Alexander leaves for Mexico this week. He has started thirty-six teams of his own and thirty belonging to other par-Gould is extending his narrow guage into a large grading contract which will necessi-

tate his presence there for some time. Capt. L. M. Pratt was accompanied to town the other day by his mother-in-law Mrs Reing some small purchases, returned here, and been Goddard who is upwards of ninty years are acquiring some very important mining old. She had made the Captain a present of interests; having secured five-eighths of the a quarter section of land, Mrs. Goddard is Emery mine, one of the best in the camp, loa bale hearty lady, vivacious in convers

fair to live another score of years. One of Jack's cayotes got out the other other mines for purchase. He says this is the night, and true to the instincts of his nature and in spite of good feeding, made for a chichen coop on Market street, where he en-

icty was questioned. Mr. Carson brought eral specimens to this office, one of which weighed one pound ten and one-half ounces. We had it bolled for dinner and used what

was left of it for hash next morning.

mines. That be has got a good thing he is well persuaded. In fact, he has the evidence with him. One mine which they are work-ple. Wichita is put down as the fifth city ing is a facing, running straight into the mountain, and the ore from the dump assays following table will show the relative imporforty ounces to the ton. A mill company of-fered them forty dollars per ton for the dirt good lay outs. He says one of the lodes near lver Cliff, is esiled the "Wichita Eagle," and that it promises big.

The more we see of the Cooper White the setter we are satisfied that it is an apple that ought to be represented in every orchard in dgwick county. The unanimous ver-fict is, that it bears every year and is wonderfully prolific. L. G. Blood brings us in a twig one year old from the bud which contains ten perfect Cooper Whites. Mr. Blood also lays upon our table the variety of his peaches, all excellent specimens of George the Fourth, Crawford's Early and White Impe-

The County Commissioners made the tax few days, where her husband is doing busilevy for all purposes at their sitting on Mon-day as follows: State tax, five and a halfmills: 

> Doctor Hogeboom, of Topeka, surgeon of Doctor Hogeboom, of Topeka, surgeon of the old eighth Kansas and ex-senator from Jefferson county, spent a couple of days in Wichita last week. The Doctor was accompanied by his wife. They were making ganized counties. The following is the footpanied by his wife. They were making Judge M. S. Adams and his inestimable wife a visit. The families have been intimate since the old Territorial days when both lived in Leavenworth. Doctor Hogeboom, after looking around, said to us that there was no use rgueing the point for he had come to the conclusion of everybody else, that this sec-tion of the state lead all others in beauty and tion of the state lead all others in beauty and fertility, in which respect it excelled any Greeny thousen ounty he had ever seen

In a conversation with Julius Junkerma esq., touching the products of this valley, he said that not only were cauliflower and celery complete success with him but that rarest of vegetable delicacies, the Brussles sprouts, was growing finely. He says any thing of the Pawne garden variety that will grow in this zone or Prat if properly watered. As to grapes, with the culture of which he has had experience, he shaw our cultivators as a same experience, he lose enough. If properly and closely trimmed the grapes will not only be larger and heavier but the bunches will be so compact as to be almost solid.

Commissioner Steenrod returned home last Friday. In connection with State Treasurer lebt, worth naming, wiped out. Exclusive

& Gowdy and is putting in a choice stock of Louis & San Francisco Road, and Ex-Gov. Fletcher, of Missouri, spent all day Tuesday in Wichita. Gov. Fletcher told us that he had been all over this country on horseback over the railroad to Winfield Monday. A a quarter of a century ago. The changes wrought since then passes belief, but for the indisputable fact which stares him in the One year—one little year, face everywhere. "How you grow and how you can spread," said be, "there is no limit.'
Judge Baker, who still is interested in the St. Louis & San Francisco, intimated that there would soon be a change in matters af

fecting our city and its transportation. Mr. J. W. Tibbetts and Geo, E. Terry Esq., of Halstead, were down interviewing our representative men touching the pro-posed extension of the Kansas Pacific to this point. These gentlemen were well posted as to the objects and needs of such a connection and acknowledged that it would not ony prove of great advantage to Halstead and other points along the proposed line, but that every township would extend a reasonable a mount of local aid. Both the citizens committee and the gentlemen composing the organization of the Wichita, McPherson & Den ver Rallroad, heard and advised with

bese gentlemen. ook a quilt the other evening and went out among the sweet potato vines and made him self up a bed into which he tumbled, cover ing himself up head and cars. The first thing he knew he knew nothing and the next thin everybody knew that a distracted father and nother were raising the neighborhood for their lost darling. The search was kept up for hours, the mother in the meantime going readers as the lady correspondent signing well nigh distracted. Every place was searched except the right one. About two o'clock in the morning he was found by an
